

Key working groups organized for the Prague Conference will focus on property restitution in countries like Poland that still have no applicable laws, looted art and Judaica, and Jewish cultural property. There will also be a special session on "Caring for Victims of Nazism and Their Legacy," which will examine the pressing humanitarian and social needs survivors face.

Those who survived the Holocaust and overcame horrific trauma to rebuild their shattered lives deserve to live their final years with dignity. We cannot talk about remembrance and restitution without addressing survivor destitution. I am hopeful that the Prague forum will answer this urgent call to action.

HONORING DONALD NORCROSS UPON HIS RECEIPT OF THE FIRST CIVIC LEADERSHIP AWARD FROM CAMDEN COUNTY COLLEGE

HON. ROBERT E. ANDREWS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 21, 2009

Mr. ANDREWS. Madam Speaker, I rise today to honor Mr. Donald Norcross, who was the recipient of the inaugural Camden County Civic Leadership and Responsibility Award on April 2, 2009. Mr. Norcross received this award in recognition of his tireless efforts championing the causes of local laborers and their families, ensuring that the needs of local social service organizations and their clients are met, and spearheading efforts toward the renewal of the City of Camden.

While a student at Camden County College, Mr. Norcross began his career as an apprentice electrician. Today he is the president of the Southern New Jersey AFL-CIO Central Labor Council, vice president of the Southern New Jersey Building Trades Council, and assistant business manager of the International Brotherhood of Electrical Workers Local 351.

Madam Speaker, Mr. Norcross has also worked to make his community better through his civic endeavors. For more than ten years he has served as a member of the executive board of the United Way of Camden County. He founded the Home Port Alliance, a group of South Jersey veterans, activists and elected officials. This group successfully worked to bring the retired USS *New Jersey*, the most decorated battleship in United States history, to the Camden waterfront. This proud ship now serves as a monument to the brave sailors who served on her during her long and distinguished career as well as an exciting attraction that contributes to the economic development of Southern New Jersey. In light of these considerable achievements, it is fitting that Mr. Norcross was honored with the inaugural Camden County Civic Leadership and Responsibility Award. He is an excellent example for all Camden County College graduates and students. I congratulate Mr. Norcross for receiving the award and wish him the best of luck in his future endeavors.

HON. ED WHITFIELD

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 21, 2009

Mr. WHITFIELD. Madam Speaker, I rise today to recognize the talented Murray State University Symphonic Wind Ensemble from Kentucky's First Congressional District. Tonight, the wind ensemble has been invited to perform at the world renowned John F. Kennedy Center. I have no doubt that these gifted students will represent western Kentucky well in our nation's Capital.

Under the direction of Mr. Dennis L. Johnson, the Murray State University Symphonic Wind Ensemble has gained a reputation for excellence both here in the United States and

In 2001 they were the only ensemble from the United States selected to perform at the International Wind Band Conference in Manchester, England. This year they appeared in a special concert at the state Kentucky Music Educators Association Conference in Louisville. The ensemble has also been selected by competitive audition to perform at the prestigious College Band Director's National Association Conferences.

The Symphonic Wind Ensemble is one of the premiere performing organizations for the highly respected Murray State University Department of Music. Each year the wind ensemble presents a series of concerts featuring international performing artists-conductors and premieres compositions by composers from throughout the world.

Madam Speaker, these students and musicians have shown an unwavering commitment to both their studies and their music. Their performance this evening at the Kennedy Center is a true testament to their dedication to training and practice. The achievements of Murray State University's Wind Ensemble are noteworthy, and I ask the entire United States Congress to join me in congratulating them for receiving the great honor of being asked to perform at the Kennedy Center. I would also like to commend Murray State University as a whole for their commitment to excellence over the past 87 years. The wind ensemble is a shining example of the many incredible programs the university offers.
